

## Items to be covered in Heritage Volunteers meeting 9<sup>th</sup> November 2017

(There will be Chancel repair artefacts on display and forms available for you to use for hours recording etc, throughout the evening. Copies of the original architects plans will hopefully be on display – laminated copies were passed around)

Please write yourself a **sticky label** with your **name and area of interest**. e.g. “Open Church volunteer”/”Lychgate research”/teas etc

Please help yourselves to tea, coffee or cold drinks at any time

**Website:** [www.stpaulsheritage.org](http://www.stpaulsheritage.org)

This sheet will be uploaded to the project website to be easily accessible in future if required, the sheets from previous evenings are already uploaded.

If you have suggestions for the website or material you think could beneficially be made available on the website please let me know.

**Facebook page:** [www.facebook.com/pg/stpaulsheritage/community](https://www.facebook.com/pg/stpaulsheritage/community)

**Hard Hat tour of Chancel Repair work site, 2<sup>nd</sup> Nov** – any comments or feedback are welcomed (this was much enjoyed by all who went on the tours)

Any **general queries** or **comments for discussion**

**Emma’s review session for heritage research volunteers** – (contact Emma to arrange a time to see her on the 27<sup>th</sup> November, an additional date will be offered)

**Introduction of individual volunteers** and their projects with updates (if available) on the progress of their projects

(One volunteer gave a powerpoint presentation of her fascinating findings, so far, in relation to the church bells and several volunteers gave us very useful updates on the progress of their own research projects. Discussions were had between volunteers to prevent excessive overlap of their research content and offers were made for mutual assistance with ongoing researches.)

**Talk by Emma Purcell** “Completing your written piece” (Emma will circulate some information on this to researching volunteers, she also showed some pictures of highlights from the hard hat tour of the site)

Requests for the next 2 meetings and any offers to present additional work in progress by volunteers?

Dates of next meetings 7<sup>th</sup> December 7-9pm in the church and 4<sup>th</sup> or 11<sup>th</sup> January (post meeting note, the next meeting will be on the 11<sup>th</sup> January 2018)

**Record office visit** – accompanied visits or shared lifts may still be possible for those who missed the formal tour, if required – please ask Sue if this might be useful to you

**St. Paul's Heritage**

WOODHOUSE EAVES
